

BUILDING HEALTH EQUITY

HEALTH EQUITY TRAINING PROGRAM FOR IOWA-BASED HEALTH DEPARTMENT STAFF

- Do you want to increase your team's understanding of the systemic causes of health disparities?
- Are you looking for tools to promote health equity?

The Building Health Equity training program aims to help you:

Establish the building blocks for a sustainable culture of health equity practice in Iowa

Advocate for health equity in day-to-day actions and decision-making processes at all levels of an organization and beyond

Promote continued curiosity, learning, and growth in topics around health equity
