

Iowa Public Health AmeriCorps

The Iowa Public Health AmeriCorps (IAPHA) Program is looking for members to serve a total of 300 hours (~25-30 hours per week) this summer from June 1st to August 31st. Iowa Public Health AmeriCorps members support various public health services in Iowa City and across the state of Iowa.

Disaster PrepWise AmeriCorps Member Position Description

Located within the University of Iowa College of Public Health, Disaster PrepWise uses an all hazards approach to help individuals and families develop tailored disaster management plans before a disaster or emergency situation happens. Join Dr. Sato Ashida's team this summer as they continue researching disaster preparedness in a caregiving context, specifically for individuals diagnosed with dementia.

Service hours at this host site are primarily completed **in-person** during **typical business hours**. Commuting to the host site does not count towards service hours.

Anticipated Tasks:

- Conduct outreach to establish partnerships with the community
- Identify potential new community partnerships
